

MIDSIZE CAR

CHEVROLET MALIBU/MALIBU MAXX

OVERVIEW

Chevrolet Malibu delivers the performance and versatility of one of the best designed midsize sedans with the dependability and value that customers expect from Chevrolet. Malibu Maxx rides on a wheelbase that is six inches longer to provide a spacious interior with clever and convenient cargo capacity.

NEW FOR 2007

- Driver Convenience Package with remote vehicle starter system and power-adjustable accelerator and brake pedals
- Enhanced Safety Package with 4-wheel antilock disc brakes and traction control
- LT Sedan equipment groups are now 1LT and 2LT
- LS Sedan now offers two Fleet Equipment Groups: 1FL and 2FL
- LS Maxx Fleet Equipment Group is 2FL
- Three exterior colors: Amber Bronze Metallic, Dark Gray Metallic and Golden Pewter Metallic

MIDSIZE CAR

MOVEABLE SEATS IN MAXX

The 60/40 split rear seats in the Maxx slide nearly 7 inches fore and aft and also recline for greater rear seat passenger comfort.

TWO-TIER STORAGE

Malibu Maxx features a standard fixed rear glass skylight that provides an open atmosphere over the rear seats and a multi-functional cargo panel with four positions for two-tier loading. (Always tie down cargo securely when vehicle is in motion.)

SEATING FOR FIVE

Malibu and Malibu Maxx both offer generous amounts of seating room for front and rear seat passengers – up to 106 cu. ft. of passenger space in the 5-door Maxx model.

15U Sandstone Metallic

21U Laser Blue Metallic

25U Dark Blue Metallic

40U White

41U Black

53U Amber Bronze Metallic

63U Sport Red Metallic

67U Silverstone Metallic

75U Dark Gray Metallic

78U Golden Pewter Metallic

DETAILED NOTES:

1. Always use safety belts and the correct child restraint for your child's age and size, even in vehicles equipped with air bags. Even in vehicles equipped with Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more information. Head curtain air bags are designed to help reduce the risk of head and neck injuries to front and out-board rear-seat occupants during certain side-impact collisions.
2. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
3. XM Satellite Radio is available only in the 48 contiguous United States. Service fees extra. Visit gm.xradio.com for more details.
4. Cargo and load capacity limited by weight and distribution.

5. Gross Vehicle Weight Rating (GVWR). When properly equipped, includes vehicle, passengers, cargo and equipment.
6. Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. Cargo and load capacity limited by weight and distribution.
7. Maximum Trailer Weight ratings are calculated assuming a base vehicle, except for options necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow.
8. Fuel capacity is approximate.
9. Tire Pressure Monitoring System does not apply to spare tire.
10. Premium paint – available at extra cost.
11. Navigation Systems – map coverage includes only the 48 contiguous United States and portions of Hawaii and Canada. Not available in Alaska, Puerto Rico and the Virgin Islands.

12. RDS functions only where stations broadcast RDS information.
13. Frontal Safety Rating – U.S. Government safety rating for both the driver and front seat passenger in the frontal crash test. Side Impact Safety Rating – U.S. Government safety rating for both the front and rear seats in the side impact crash test. Government star ratings are part of the National Highway Traffic Safety Administration (NHTSA) New Car Assessment Program.
14. Use only GM approved wheel/tire combinations. See your GM dealer for more details.
